## RUSSIA BOYCOTTS TOTLEY SPORTS NIGHT !

RELIABLE EUROPEAN SOURCES inform us that, for the fourth time in succession, Moscow Residents Association are unlikely, due to present Olympic circumstances, to send a team to Green Oak Park on Thurs. 3rd. July for TOTLEY SPORTS NIGHT. This means that once again local residents, young and old alike, will have exclusive enjoyment of their very own evening. In a reversed charge telephone conversation, spokesman Ivan Houroff told us, "we are sorry; we shall miss Punch and Judy".

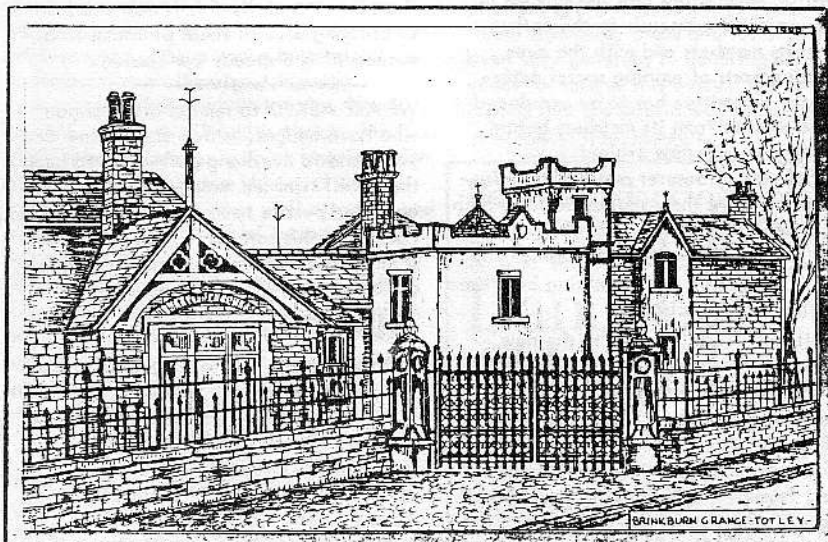

### BRINKBURN GRANGE

DRAWN HERE for us by Syd Andrews, it stood on Abbeydale Road South and its gateposts can still be seen near the entrance to Brinkburn Drive. Built around 1883 "not a very attractive building" says Syd and demolished in 1938, "it was more useful as an allotment".

### MICKLEY LANE

TOWARDS THE END of the last century St. George's Farm, pictured here, was the centre of a very interesting project which established a 'Working Community' along lines founded by John Ruskin. A more detailed article will appear in a future issue.

DON'T FORGET to make a note that Thursday 3rd July is TOTLEY SPORTS NIGHT in Green Oak Park starting at 7.00 pm. Entry forms for the childrens races will, this year, be sent out through the local schools. It is hoped that several local Tug-O-War teams will be taking part in the revival of this old Totley tradition. Sheffield's own star of the wrestling ring, BOBBY GRAHAM, has agreed to referee this event for us, so it should prove interesting. There is a shortage of volunteers to help with organising the races etc. and also to help with refreshments. If you would like to help please give your name to a committee member or to T.R.A. Secretary, Eileen Wood on 361988. (Would any ladies like to help by baking some of their delicious scones)?

## XXX RESULTS

NOT UNEXPECTEDLY the three Conservative candidates for our area were returned to office for a further session, when the local elections took place on May 1st. As usual, the Dore Ward was able to boast a turn out, well above average, compared with the rest of the city. Although less than half those entitled to vote actually went to the polls, the percentage turn out of 46.13% compared favourably with the overall 39.42% across Sheffield. The full results were: Heslop, D.I. (CON) 4,737. Santhouse, P.M. (CON) 4,653. Thompson, J.J. (CON) 4,473. Francis, W. (LAB) 1,963. Lyne, A.A. (LAB) 1,926. Smith, A.T. (LAB) 1,965. Holmes, C. (LIB) 713. Mullin, E. (LIB) 578. Robinson, T.J. (LIB) 567. As always, Councillors are anxious to hear from the people they represent and they can be contacted at the following addresses: David I. Heslop, 41 Church Lane, Dore, Sheffield S17 3GT. Patricia M. Santhouse, 3 Dove Lane, Aston, Sheffield S31 0GJ. Jack J. Thompson, 1, Pentland Road, Dronfield-Woodhouse, Sheffield S18 5ZQ. Remember these people are available to you even if you did NOT vote for them.

## smashing idea

IF YOU ARE CONCERNED at the amount of glass and bottles you have to throw away and would like to do something about it, there is now a Bottle Bank in the Civic Centre at Dronfield.

## ANNUAL MEETING

A POOR TURN OUT, although not unexpected, was a disappointment for the handful of residents that took the trouble to find out what the T.R.A. had been active in, during the past 12 months, at this years Annual Meeting. The following account is based on the Secretary's report: The Committee has met regularly over the past 12 months. Although not directly involved this year in organising social functions, apart from our two big events - Sports Night in July and the Senior Citizens Christmas Party in December - we have been discussing matters affecting life in Totley - from Planning Applications to Road Safety. The latter is an ongoing worry and we hope to organise a Public Meeting in May. The sectional activities Photography, Badminton and Gymnasium at the College have all continued during the year and were reported upon. The Totley Independent continues to flourish providing a useful means of communication in the neighbourhood and we are grateful for the continued support of our Advertisers and say a special "thank you" to all the many who have helped in the production distribution and sale of our own special paper. During last summer we again ran the Garden Competition - as indeed we expect to do this year - and thank all who contributed to its success. This year we shall change the rules, so widening the interest. The winner from the previous year will assist in judging the following year and not be directly involved as a competitor. We hope the T.R.A. will continue to operate for many years but it must be emphasised that the success of any organisation depends on the enthusiasm of its members and with the ever escalating costs of running social activities, the committee has to be convinced of good support from its members before embarking on any new project. The Chairman, Treasurer and Totley Independent also gave their reports during which it was noted that a certain amount of money had been invested, throughout the year, in promoting and sustaining both the magazine and Association.

The following were elected to the new committee: Chairman Rev. A. Jockel. Vice Chairman A. Herbert. Treasurer J. Perkinson. Secretary Mrs. E. Wood (temporary). A. Milnes, H. Wooffinden, M. Seddons, E. Taylor, B. Bezant, Mr. & Mrs. Feasey and G. Creswick. These along with the reps of the various sections will serve for the next year.

## THUNDERER

### UNITED IN ACTION

THERE HAD TO BE a subject or point of concern that would unanimously unite Totley in opinion. It was found on Monday May 19th, at Totley Rise Methodist Church Hall when the Public Meeting on Local Road Safety was held. Several very important facts were revealed. Firstly, how concerned, caring and capable the packed hall of locals were about our road safety. Secondly, what splendid effort, detail and enthusiasm had been put into producing the presented evidence. The outcome at the end of the evening was that an overall body of very efficient individuals are now to look at, look after, report and instigate all aspects of this problem covering an area from Twentywell Lane/Abbeydale Rd. South right through to Owlter Bar. This body is to be called TOTLEY RESIDENTS ROAD SAFETY ACTION COMMITTEE. The members are: Chris Holmes, Roger Hines, David Smith, Wendy Bumham, Margaret Seddon and Ann Wiles, most of whom spoke during the initial stages of the meeting. Their first meeting took place on Thursday 29th. May. It was decided at the Public Meeting that Totley Independent should be the means of communicating to local residents the progress, decisions and recommendations of this Action Committee. Thanks go out to all those who attended, County Councillor Danny George and local bobby P.C. Geoff Thorpe for their support and interest and to Rev. Alan Jockel for chairing what was an 'enthusiastic' event. The Methodist Church Hall gave free use of their premises on this occasion, for which they must also be thanked. Hopefully this is now the start of bringing several local problems to a successful and speedy conclusion.

WE ARE ASKED to remind those of you who have hedges, which at this time of year tend to overhang pathways, to keep them well trimmed making it easier for our blind people to make their way about. Hedges of this sort can soon cause nasty scratches and in wet weather can be very uncomfortable when brushed against.

## Success

CONGRATULATIONS to these pupils of King Egbert School, who were successful in the recent pianoforte examinations of the Royal Schools of Music. Paul Bezant Grade 3 - Merit Ian Brown Grade 3 - Distinction Adrian Tolson Grade 3 - Merit Lorna Latham Grade 4 - Distinction

215th SHEFFIELD (1st TOTLEY)  
SCOUT GROUP

#### NEW HEADQUARTERS

a). Very little progress has been made in obtaining an alternative site. The Council have not made a decision on the outline planning permission for the Aldam Rd. site.  
b). As some of you may be aware, it was suggested that approaches be made to All Saints Church to see if it would be possible to erect a building on Church Land. It would appear this is not possible due to covenants preventing such development. We would very much like to hear from anyone who knows of a piece of land in the area (to rent or buy) on which it may be possible to erect a Scout Headquarters. Please phone John Turner on 367594.

#### OUTINGS

The Cubs have recently been to London - which they found very interesting and Duxford War Museum near Cambridge. Some of the dads went on this trip and everyone went on 'CONCORD', most were surprised as to how small this aircraft was inside. Several World War II aircraft are at Duxford together with a lot from the 1950's and 60's. For anyone interested in aircraft this museum is well worth a visit.

#### SCOUTS

The lads went to camp on Friday 23rd May, for the week to Spitewinter near Ch/field.

#### FUND RAISING

WASTE PAPER - Please note we will be collecting paper again early July. Sorry if we missed you last time but the container was full and we could not manage to squeeze any more in.

#### SPONSORED CLEAN UP OF T. BROOK

Slightly in excess of £450 was raised - so a big thank you to all those who sponsored the lads and to the lads themselves - Well Done!

#### LOTTERY

We have virtually enough members now to form a "150" club i.e. a closed lottery with 150 members for one year. We hope to make the first draw at SCOUTS GARDEN PARTY June 21st. If you still require a lottery share form please let us know.

## Treasure Hunt

A FAMILY TREASURE HUNT has been arranged for a Sunday afternoon towards the end of the Summer Holiday by the T.R.A. Watch out for full details in T.I.

## AIR CRASH

AMONGST THE VICTIMS of the recent Tenerife air crash were Mr. & Mrs. Hutchinson of The Grove. In all 146 people died in the disaster, which was the worst ever to involve a British Plane. What made the accident more tragic was the fact that Mr. Hutchinson had recently retired from his job as assistant treasurer with Sheffield City Council and the previous day had been Mrs. Hutchinsons birthday.

## LETTER

#### MORE ABOUT POOLS

With further reference to the swimming pool in Gillfield Wood, this was constructed or should I say "dug out", some 40 years ago with much enthusiasm and hard work by the then youth of Totley. The one in Holmesfield Park, (as these woods are known), was constructed very much earlier, most likely by the Shepleys and over the years, cleaned out many times by the Totley lads, the only fault being we could never get the water to stay in for long and of course on the hottest days, the water was always very cold for swimming in.

#### AND MORE ABOUT THAT OWL

Further to the letters in the April and May issues, the Tawny Owl has been visiting the houses in Baslow Road since January - and mainly on a Sunday evening, which makes me suspect that it has a hide in All Saints Church and is disturbed during evening service. Whilst it can be a frightening experience, when it swoops with talons extended, I believe it to be rather tame, as it will come when called and perch on the window ledge. It really is a huge bird with beautiful plumage and it was in no way frightened, when I took a flash picture of it, which I am pleased to say, turned out rather well. I rather fancy that towards the back end of last year, it lost its mate but is quite used to people.

J.W. Abson  
319 Baslow Road

#### COMMENT

It is now understood that the Owl has been taken by the R.S.P.B. to their rehabilitation centre in Keighley.

NEXT MONTH Campion Barrows says "let's take a walk around the Old Halls of Totley and Holmesfield".

# warburtons world

IN KEEPING WITH the delightful weather of the last month, our subjects this month are the real sign to me that summer approaches rapidly. The Swallow, Swift and House Martin are summer visitors, spending the remainder of their time in the African continent. The house martin is very common in the Totley area although its nearest relation the sand-martin is seen only passing through - there are no suitable nesting sites locally. The house martin prefers to nest under the eaves of houses and builds a very solid nest of mud mixed with saliva. In flight it can be distinguished from the swallow by the less deeply forked tail, distinct white rump and underside and smaller size. The flight is also less fluent and dashing. The swallow is probably the most loved of the trio yet it is the one which must find the choosing of a nest site most difficult. It nests on roof supports and beams usually inside a building. The old stone barns were ideal but newer buildings and building materials are making these traditional sites more and more difficult to find. The flight is fast and easy on the eye, with graceful glides. It rarely settles on the ground or in trees, preferring telegraph wires and buildings. The distinguishing features of the adult are the tail streamers, giving a deeply forked effect, the blue-black upperside plumage and the chestnut bib. My favourite is the swift. Its screaming giddy flight is a reminder that summer is very near. The birds seem to play games as they dash around the houses in their mad chases. The plumage is blackish brown with a whitish throat and the wings are proportionately larger and more curved than those of the house martin or swallow. The nest sites are

as those of the house martin, although cliffs will sometimes be used. Surprisingly only the house martin and swallow are related. The swift belongs to an entirely different family. All three spend more time in flight than they do perched or resting, which may account for their habitat being described as 'aerial'. They are insectivorous, which accounts for their absence in winter, since there are practically no flying insects then. Their beaks are very short but have an astonishingly wide gape, so that flies, moths etc. may be taken easily in flight.

They walk very badly, the swift can almost be said to be unable to walk. All three make the journey south in Autumn and the survivors mysteriously can navigate and remember so well that they will turn up at the same nesting site for year after year. Anyone finding a nestling may be able to rear it but will find it a very demanding job. (Please don't bring them to me!) I know of one very dedicated young man who reared a foundling swift and watched it successfully fly off but he was both single-minded and a little lucky. What did surprise me was the weight and solidity of a swift and the almost talon-like claws. One final thought - all three birds are inextricably linked with man's buildings at the moment. Where did they nest two thousand years ago?

## LETTER

POYNTON WOOD

I enclose for your information, a copy of a letter which I have sent to the Environmental Health Dept., and which is self-explanatory. Whether any response will be forthcoming remains to be seen but at least I have made my protest. I don't know whether the T.R.A. extends its interests as far as Poynton Wood but I felt it might be of interest since I know a lot of Totley residents, like myself regularly walk their dogs through there.

I should like to draw to your attention the shameful state of Poynton Woods, Totley, for several hundred yards below the private building development of George Longden. This formerly beautiful area has been reduced to nothing better than a tip for everything from builder's materials to cardboard packing cases, polythene bags and at least one 25 gallon drum. Whilst I am aware that to some extent this is due to children, I do feel that Longdens are not entirely blameless, as during their building operations a large quantity of material has been left readily available on the boundary of the site abutting the woods and from my observations, no attempts at reclamation have been made. Although recognising that a certain amount of litter is unavoidable I feel that when it reaches these proportions in such surroundings, someone in authority should take steps to have it removed. I consider myself fortunate to be living in a rural environment and it not only grieves me but also makes me furious to see it slowly deteriorating through being abused, continually vandalised and neglected. If you will be good enough to inspect the area in question, I am sure you will agree that I am not exaggerating and sincerely hope that you will consider taking steps to rectify the situation. Since Sheffield is rightly proud of its 'Golden Frame' it should not be allowed, in my opinion, to become 'tarnished' beyond redemption.

Jean M. Hannam  
Glen Rose, Back Lane  
Totley Rise

## PLANNING APPLICATION

Cottage, flat and workshop adjoining 5 Hillfoot Road, Totley. Alterations and extensions to convert into one house. List No. 80/2456 P. Copies of this application may be inspected at the Inquiry Office, Department of Planning and Design, Town Hall Extension.

# SPOTLIGHT

"FIRST CLASS ENTERTAINMENT IS ALIVE AND WELL AND LIVING IN THE TOTLEY AREA".

*Dore Gilbert & Sullivan Society*

## The Pirates of Penzance

WITH TEN NAMED PRINCIPALS, a total chorus exceeding 30, an orchestra of 19, (generously sprinkled with very young, confident faces), fine scenery and costumes plus an army of back stage, front of house and production help, this all added up to the splendour of first class 'suburban theatre' and the audience went OVERBOARD for it. The ticket price of £1 (slightly higher than at other local shows), was fully justified by the end of the evening. The excellence of the principals was well complemented by the dynamics of the chorus and orchestra. Even the printed programme was comprehensive enough to keep many reading well into the overture! It is certain that the few empty seats would fill up if the hall were more easily accessible to the surrounding areas, for those who do not have their own transport or if more were willing to take advantage of seeing Gilbert and Sullivan superbly performed on their own doorstep, for you didn't have to be a fanatic to have enjoyed this performance. The whistling of familiar melodies as the audience made their way home up the drive would surely have pleased Mr. G. and Mr. S., even if some of the crowd were wearing jeans; a sight in complete contrast, no doubt, to when the work was first performed 100 years ago.

The Society tell us that ticket sales were satisfactory for all five shows and they will be celebrating their tenth anniversary in October with an autumn show on a historical theme. It is hoped to invite past members to a social evening. New members to the society are always welcome and in particular tenors and basses. The production next year is likely to be 'Utopia'.

## OLIVER

YOU COULD HAVE GONE over 200 miles to London's West End to see 'OLIVER', where it is, once again, playing to packed houses. But you wouldn't have seen any finer a performance than the one staged by the staff and pupils of King Egbert School. The storyline and continuous string of hit songs are so familiar that it would have been easy to rely on these and weave the show around them. This was the last thing that happened. Instead a full scale production was launched, that would not have been out of place in any theatre. (Ideal for the Lyceum). For it was convincing and slick. The production numbers were beautifully staged and the whole evening thoughtfully linked, musically, by a very capable orchestra which did the school credit. To say that this is the first musical the school has attempted, together with the fact that this was the first time on stage for many of the performers, the overall outcome was amazingly professional. Those involved should be proud that they left the audience wanting only one thing..... MORE! Had I have been on the first instead of the last night, I would, without a doubt, have gone back to see it again. It can only be emphasised, yet again that so much time and effort is worthy of at least twice as long a run, if support could be sufficient to demand it.

## T.O.A.D.S.

"WHEN WE ARE MARRIED"

BY GUM - IT WERE REYT GRAND! This is the stuff Amateur Dramatics are made of, a good play, cast, costumes and set - you can't beat the old uns and this TOADS production proved it. People never seem to tire of the traditional British farce - and quite rightly so. Not only did J.B. Priestley write a play that has no dull moments (in fact is downright funny), but he gave all the characters an equal share of the laughs. There are no major roles, as such, in this play, making it ideal for the larger than usual cast all to have a bite of the apple. You could feel the casts delight and this they passed into the audience. Several 'cameo' parts are contained in this play and of particular enjoyment was Lil Robinsons portrayal of Mrs. Northrop. What was equally enjoyable was to see several new faces, not only making a first class job of their roles but also thoroughly enjoying themselves.

## Abbeydale Art Group

A CREDITABLE DISPLAY of paintings and styles were on view at the Groups Annual Spring Exhibition, held at Abbeydale Hall, at the end of April, with most items available for purchase. This group, which is part of Totley and District Community Association, invites amateur painters to become members. Meetings are held twice monthly on Saturday afternoons at Abbeydale Hall. During the summer months outdoor sketching excursions are arranged. A feature of the meetings in the winter months is the attendance of professional artists to help in various ways.

### COMMENT

If any member of this group has pen and ink drawings of Totley, we will be pleased to consider them for publication.

## TOTLEY BROOK FETE

THE ANNUAL SUMMER FETE of Totley Brook Tenants and Residents Association will be held on Sunday 20th July starting at 1.30 pm. The Association is particularly interested in hearing from people in the area who would like to enter for the annual Blackamoor Run, both in the Senior and the recently introduced Junior section. Please contact either Catherine or Geoff Owen on 351463 or Tony Berry on 351225 (after 6.00 pm.), if you are interested. Also anyone who would like to set up a stall at this event will be most welcome. It is anticipated that the Totley Independent will be camping out to cover this function. Further details will be printed next month.

## King Egbert Association

THE KING ECBERT ASSOCIATION will complete their 1979/80 programme with two social functions as follows : Friday 4th July. "Music for a Summer Evening" Upper School, Forum and Courtyard, 7.30 pm. The School Choir and Orchestra will provide the music and refreshments described as 'Strawberries and Bubbly' will be served. Tickets £1.25 from members of the Committee, or at the door. Saturday 19th July. Annual School Exhibition and Summer Fair, Upper School, 2 pm. An opportunity to see work done at the school in the Art and Craft Departments - also to enjoy the Summer Fair, with side-shows, stalls and an Arena programme. Profits will be used by the Association for the benefit of the school. Admission 15p. The King Egbert Association has had a successful year to date. In the Autumn on 6th November, there was a lecture and demonstration on 'Foreign Language Learning in School, given by Mrs. Harris and Mr. J. Wade. On 25th March, Mr. C. Vickersman, Secretary, Joint Matriculation Board spoke on 'O' and 'A' Level Assessment. Both meetings were well attended and maintained a high level of interest. In January the Association ran a Ceilidh in the Lower School Hall - this was a highly successful evening. The K.E.A. Committee thank parents for their support in the past and look forward to their interest continuing and growing in the future.

### FOOD FOR THOUGHT

QUESTION : Where is the nearest Chinese Take - Away ?  
ANSWER : Totley Rice !

## rowan school

FURNISS AVENUE

THIS SCHOOL CATERs for the needs of children who experience specific learning difficulties in those areas of basic literacy, numeracy and communication so necessary to take advantage of ordinary mainstream education. Children are referred to the school for periods between one term and two years to receive intensive, specialised remediation in order to reintegrate them in as short a time as possible. As well as covering the basic skills of language, literacy and numeracy, the staff try to give the children the same educational and social opportunities as they would be likely to get in any other primary school in Sheffield. Because they feel it will be a valuable and enjoyable experience, the staff are taking a group of juniors on an outdoor activities holiday in Northumbria during the Whit half-term break. In July the whole school will be involved in an environmental studies week based at the Whitely Woods Girl Guides Centre. Many of the staff and children will be staying there for the week and others will be bussed out day by day to work in and around the area. In order to raise money for these ventures and also to build up a fund to replace their mini bus, the staff, governors and parents are holding a Summer Fair at the school on Saturday, June 28th starting at 2.00 pm. It is hoped that a local celebrity will be opening the fair. There will be many attractions, side shows, stalls, displays etc. Sheffield Sword Club will give a demonstration of fencing with foil, epee and sabre, also the Handsworth Traditional Sword Team will give a display of sword and morris dancing. Local firms, travel agencies, shops and restaurants have been very generous in donating prizes and goods for sale at this event. The school is hoping that the public will be equally generous in their support.

## all saints p.t.a.

A TENTH ANNIVERSARY Summer Gala is being held in the school grounds on Saturday 5th July starting at 2.00 pm. As usual, a full afternoon of entertainment and enjoyment is available. Tickets for the Grand Draw, which takes place during the event will be on sale soon with numerous prizes on offer. As this is a special occasion, it is deemed necessary that an outstanding attraction should appear and to this effect The Chesterfield Toppers Carnival Band will give one of their award winning displays. This band are winners of over 145 major prizes throughout Great Britain including the C.B.S. League Championship. They are also champions of Midland Counties (C.B.S.L. Premier Award), North Derbyshire, South Midlands, Home Counties, East Anglia, Runners up All England Championship and last year were runners up in the U.K. Open C.B. Championship. Recently they have had 2 major successes in West Germany and on 6th May they returned from successful competitions in Troys (France), where they received invitations to perform in France, West Germany and Holland. Also appearing will be the Langsett 'B' Band.

## CHESHIRE HOME

MICKLEY HALL CHESHIRE HOME will present their annual Garden Fete on Saturday 21st June, 2.15 pm. at the Hall and in its grounds. As well as all the usual first class stalls which include : Tombola, White Elephant, Raffles and Nearly New, there will be a Fencing Demonstration and Clog Dancers. Teas and refreshments will be served and music will be provided by the Dronfield Band. It is hoped that, as usual a Star Personality will be coming along to open the proceedings and add to the afternoons enjoyment. Watch out for the posters - it might just be one of your favourites.

## fire risk

IN VIEW OF THE recent moorland fires in the Sheffield area, please remember that our own area is very prone to this particular hazard. You are reminded that the smallest amount of neglect, when you are out enjoying our open country, can rapidly turn into a major disaster. Please take EXTRA care.

## "CURLY Q"
