It's hard to imagine that before these houses were built on Mickley Lane, the land was occupied by Gledhills Rhubarb and Cauliflower Fields.

Even before that at the end of the last century the area formed part of the Victoria Pleasure Gardens.

Earlier in that century Mickley Lane formed part of the new turnpike Road from Greenhill to Stony Middleton.

Cricket Inn, Penny Lane.

TOTLEY RESIDENTS ASSOCIATION

Totley Residents Association A.G.M. held on Monday 22nd April 1996, in Totley Library was attended by Twenty people. The meeting was very lively with reports and discussions held on many subjects.

A report was given by Mr Kevin Walker on our local Youth Football Team, who have been very successful this season. Totley Residents Association sponsored the nets and the pitch fees for the year. My husband and myself were invited to the presentation of the trophies at the Cricket Inn and it was very rewarding to see all these young lads going forward to receive their trophies from a Sheffield United player. The tenants section of Totley Residents Association ceased to exist on May 31st 1995 due to the fact that no-one came forward for the Committee and that is how it still remains. Councillor Ross reported that it is likely Totley Library will be opening 32 hours per week. Our local Councillors suggested a new item for the Totley Independent called "Town Hall Gossip" so hopefully all three will submit items of news.

The Green Belt issue was raised but we have to await the outcome of the Public hearing held last August. It was reported that the College is due for closure in 1997.

COFFEE, CAKES & CUTTINGS

A final reminder for people to come and socialise, enjoy coffee and biscuits, whilst supporting Transport 17 at English Martyrs Church car park on Saturday June 8th 10 am to 12 noon. Hopefully there will be plenty for sale including bric-a-brac. All contributions welcome.

ST. JOHN'S FLOWER FESTIVAL and SUMMER FAYRE

A Feast of Flowers not to be missed will take place throughout the weekend from Friday, June 28th to Sunday, June 30th inclusive.

Some of the most talented Floral Artists in our area will be displaying their interpretations of our theme, "The Creation" and we know you will be delighted with the results of their skill and perception.

The event will be opened on Friday, June 28th at 2.00 p.m. to 5.00 p.m. During this time refreshments will be served including cream teas. Also the results of a competition organised for children between 7 and 14 will be announced and prizes of gift vouchers will be presented. (see separate leaflet obtainable from the Church or School). In the evening at 8.00p.m. there will be a concert in Church entitled "Music for a Summer Evening" including readings of poetry and prose. The music will be performed by "Palm Court Players" with soloists and will be for approximately 1 hour, after which cheese and wine will be served in the Church Hall. Tickets for the whole evening will be £5.

On Saturday, June 29th the Church will be open for viewing from 10.00a.m. to 12 noon with refreshments in the Church Hall, then commencing at 2.00p.m. a Summer Fayre will be held in the Church grounds (or indoors if wet) until 5.00p.m. Cream teas will again be served throughout the afternoon. There will also be a Brass Band, pony rides, Bouncy castle, Ball pool, Tombola, games, raffle, stalls with plants, cakes, books, home-made goods and paraphernalia. Lots of fun for everyone, try not to miss it.

On Sunday, June 30th the Church will be once more open for viewing from 2.00 p.m. until 5.00p.m. when cream teas will be served in the Church Hall. Wheelchair access will be available to all the events. Come along and enjoy a super week-end here at St. John's Church, Abbeydale Road South. There will be something to please everyone.

JUNE 28th Flower Festival opens

2.00 p.m. - 5.00 p.m.

"Music for a Summer Evening", Cheese & Wine 8.00p.m.

JUNE 29th Church open for viewing
10.00 a.m. - 12 noon.

Summer Fayre 2.00 p.m. - 5.00 p.m.

JUNE 30th Church open for viewing
2.00 p.m. - 5.00 p.m.

Dear Editor

A few weeks ago my husband and I visited Abbeydale Industrial Hamlet where my husband bought for me 'Walks around Totley' - for two reasons.

1. That occasionally we had walked and talked with 'Campy' during the 1950's when we were both members of the Pennine Mountaineering Club. Michael, my husband seems to remember the last time we saw you was in 1959 in Wales.

Secondly, because from 1936 - 1956, I lived in Totley and loved it. I thought you might like to hear about some of my memories. I lived at 81 Mickley Lane. The row of 4 cottages have now been demolished and a pair of semi's are in their place. The house was directly opposite the Spitfire.

I remember the Shepleys who built the Spitfire in memory of their son. We were all very upset when he went missing during the War. The field in which the Spitfire was built, we children called the 1st field. It was a great field for playing in. Every year a family from Attercliffe came to the 1st field for their annual trip. They would bring a picnic lunch and my Mum made them large jugs of tea. They used our toilet which was in the back yard. They came for many years - we accepted them as old friends and looked forward to their visit.

On top of Wings Hill there was an Ack-Ack battery stationed there during the War. The soldiers had no running water, so they used to bring their water truck to the back of our houses on Laverdene Ave, and fill up with water from our cellar tap. When the weather was hot, they used to spray the children - we loved it.

Some of the wives and families came to stay at our house, so they could see their husbands and dads. I don't remember where they slept - we only had two bedrooms. Perhaps they slept in the

cellar. My Dad had re-enforced the coal cellar so that we could sleep there if we were bombed. My Mum also made fresh bread and cakes for the soldiers. During the War, the river in front of our house was dammed to provide a static water tank. I hated this as it destroyed the beautiful river and it made the rats come into our house.

I went to Totley Church of England school and at 10 went to school in the chapel down Chapel Lane. We held our sports day at the Cricket Inn. My grandmother lived in the chemical yard off Queen Victoria Road, we used to watch the blacksmith putting new shoes on the waggon horses.

I could go on forever about my childhood in Totley - I loved it. Thanks for writing the book, it brought back many happy memories.

Navis Fisher.

SHEFFIELD CHESHIRE HOME

We raised the magnificent sum of £606 at our Easter Coffee Morning. Many thanks for everybody's support. We are now preparing for our biggest Fund raising event of the year - the Summer Fete which this year will incorporate Worm Charming and will take place on Saturday, 22nd June 2p.m. to 4p.m. Donations of Bric-a-Brac, bottles, cakes etc. will be gratefully received at the Home.

The fete will have all the usual attractions - children's games, lots and lots of stalls, bouncy castle, nearly new, raffles, cakes, teas, ice cream, paintings - all we need are the people to come along and support us once again. We can promise you a very enjoyable afternoon. Any further information including Worm charming entries can be obtained by ringing the Home on 2369952.

A WONDER OF THE PEAK

Let us take a scenic walk of some 6 miles to view one of the wonders of the Peak District - the landslip known as The Alport Castles.

Park the car at the popular venue of Fairholmes in the Upper Derwent Valley. If you go at the weekend, be sure to go early, for after 10 am the whole valley is pretty busy. Boots desirable for this outing on the hills; allow 4 hours to savour the walk.

Take the forest path opposite the car park exit. Yellow markers and finger post show a route through Haggside Woods direct to the imposing site of Lockerbrook Farm, now the home of the outdoor group known as the Woodcraft Folk. (The founder was Basil Rawson - a great character). Linger a while, if you ask the Warden, he will show you the plaque in the attractive garden to the memory of their founder. First class views of Derwent Edge and Ladybower Dam. Head left to the crest of the track above Hagg Farm and strike off to the right, to the first ladder stile, towards Pasture Tor and Rowlee Pasture. Markers show a well defined path. Breathtaking views of the northern edges of Kinder Scout, Win Hill and the Ashop woodlands' snake valley en route.

After approx. 1.5 miles along the peaty path you will note a broken wall line on our left, opposite this point you may wish to head to the right, towards the head waters of Ouselden Clough for 350 yards to locate a wartime crash site of a Boulton Paul Defiant fighter 'plane. The two crew members baled out over the Edale Valley (engine trouble). The aircraft has left a huge crater and the engine has since been recovered for a museum. Details of this crash story, and a Meteor jet located near the head of Haggside plantation (private ground) are in Ron Collier's

'Dark Peak Wrecks' book. Retrace your steps back to the Rowlee Pasture track and head forward to the final gem of the trek above Birchinlee Pasture - the imposing 'Alport Castles' (the largest landslip in the country - a profusive rock scape and a photographer's dream. First class views to the heights of Bleaklow, Kinder and Margery Hill and, nestling in the valley, - Alport Dale and Farm. One could linger here for many an hour.

We start the return journey back to the right and footpath across Birchinlee Pasture between Fagney and Ditch Cloughs, then a steep descent through Ditch Clough Plantation to the Westend valley. The route is well marked all the way - simply turn right along the forest track, adjacent to the Westend River and after a few hundred yards we join the road that fringes the top chain of reservoirs at the Howden Dam. Signal the minibus at the signed stop for the short drive back to the bustling activity at Fairholmes.

A welcome cuppa at the tea bar and a visit to the Information Centre makes the day complete. Mention my name at the latter - very friendly and helpful staff, they will know who you mean by stating simply "Aircraft Wrecks!".

P.S. Don't forget to check the bus times at Fairholmes, or if you prefer to walk back from the Westend valley via Howden and Derwent Dams, this will add another 3 miles to the walk.

John C Barrows.

SHEPLEY SPITFIRE

ABBEYDALE INDUSTRIAL HAMLET

ABBEYDALE INDUSTRIAL HAMLET is looking forward to a bumper summer, with a host of special attractions and events lined up during the forthcoming months.

The restoration of the garden to the side and rear of the Victorian Manager's house is making progress, with many plants and shrubs already planted - although donations of cash or plants are still being gratefully received. Staff at the Hamlet are extremely grateful to Beauchief Environment Group and the Abbeydale Garden Company for their help and support, as well as all the other people and businesses who made donations to help this project come about. The garden now looks set to provide another attractive feature for this Sheffield landmark.

June and July will see an exhibition of children's work - "Made at Abbeydale Industrial Hamlet" in the upstairs gallery. These are the results of children's holiday and half-term activities and include pictures, drawings, stories, letters and poems, providing an entertaining and illuminating child's eye view of the Hamlet.

Children's activities have proved extremely popular - with parents and grandparents as well as children - during the school holidays, and will continue during the 1996 Summer Holidays. These include colouring competitions, creative workshops, quizzes and questionnaires, with technology trails for older children - and parents!

Also in July are the "Day of Dance" on Sunday July 14th and the Prince's Youth Business Trust Craft Fair the following weekend. The Day of Dance is part of the Sheffield Children's Festival programme.

Several Sheffield schools will present their performances, following a series of in-school workshops. There will also be competitions, museum trails, a children's play area and other activities to make this a superb family day. The Prince's Youth Business Trust Craft Fair showcases the talents of young local artists, craftspeople, designers and entrepreneurs. Following on from the success of last year's event, more young people who have been helped by the PYBT will be invited to display their skills and wares.

An exhibition of Puppets begins at the end of July and continues until September. The skills, secrets and sheer magic of puppetry will be presented in an exhibition and supporting workshops, events and displays. Stage Right Puppets, now in residence at Abbeydale Industrial Hamlet (in their 'Gypsy Caravan' in the orchard) will be helping with this exhibition and dazzling visitors with their unique brand of mayhem and magic.

The August Working Days take place over the August Bank Holiday - 24th, 25th and 26th August. Visitors will be able to view demonstrations of traditional skills and modern crafts, including metal casting, wrought iron blacksmithing, chair caning, designer jewellery and leatherware - to name but a few!

Take the time to visit the Abbeydale Industrial Hamlet in the summer. With such a wealth of activity, you won't be disappointed.

Admission prices: Adults £2.50, Children/OAP's/Students £1.25. Family (2+2) £5.00. Slightly higher for Working Days - Adults £3.00, Concs. £1.50, Family £6.00. Under 5's, UB40 and Reg. Disabled: Free

TOTLEY YOUTH FOOTBALL CLUB

In the 1993/4 and 1994/5 season my son played competitive football for Ecclesall Rangers F.C. who play in the GT Sunday League and who are governed by the Sheffield and Hallamshire F.A. I became involved in helping with the club and was asked to manage the team during that period. After some 25 boys applied for 16 places I had the unenviable task 12 months ago of telling several boys from the Totley area that there were no vacancies for them in the team. That is one of the hardest things I have had to do, tell a boy who wants to play football at a competitive level, sorry, I can't offer you a place! "Why don't you start a new team for Totley?" asked my son who had several friends wanting to play, but unable to find a club with much sought after vacancies. A simple solution one may be excused for thinking, oh, how wrong I was!"

I contacted the GT League and filled in a form to apply for one of the 400 club places which accommodate some 6,000 boys from the Sheffield, Rotherham, Barnsley and Chesterfield areas. That was when I realised it was not going to be a simple task. We had to have a ground, insurance, official kit, nets, special size footballs, first aid equipment, registration fees, affiliation fees, an executive committee with treasure, management and bank accounts, a secretary, an AGM!!!!!----hold on, we only want a game of football on Sundays! True, but organising that many boys into

competitive leagues takes a lot of effort and money.

Enter friend of TYFC number one, Ray Clifford. Ray is the U13 Registrar for the GT Junior Sunday League and as luck would have it lives in the area. Ray guided me through the minefield of what we had to do to get our application considered along with all the others wanting to join the league, the most important is we must have a ground. OK contact Sheffield Recreation Department, sorry, no grounds available!

Enter friend of TYFC number two, John Warnock of Sheffield and Hallam University. Cutting a long story short they provided an area behind the students accommodation block, marked out a pitch, maintained it and provided posts at competitive rates to that of the Recreation Departments. So all we need now is £400 worth of kit, &250 worth of equipment, £300 match fees, £250 gym fees in the

winter etc. etc.

Enter a group of community minded organisations. Dyson Refractories sponsored the full cost of the U13 kit thanks to Mr. Gray, the Totley Site manager and Mr. Peter Marsh, the Managing Director of the Dyson Group Plc. Totley Residents Association and in particular Margaret Coldwell who sponsored the pitch fees; Flint Electrical who provided two high quality match balls and the Midland Bank who provided 16 kit bags.

Next stop some 3 months later. the

GT league AGM where our final application was heard, sponsored by Junior Millers and seconded by Young Owls we were accepted into Div. "E" of the GT Junior Sunday League. Wow! all we had to do now was play football! Ha! transporting or getting 16 - U13 boys to one place at an arranged time is not the easiest job in the world but we managed it and played 24 league games and one cup match.

We lost the cup match by 1 goal to the eventual runners up of the whole contest, not bad I hear you say? But what about the league? The final league table reads:

P	W	D	L	F	A	Pts.
24	15	4	5	97	52	34

That was enough to win Totley Youth FC second place in the league and promotion to Div. "D". Additionally, following the clubs presentation night at the Cricket Inn (thanks to, Don Hutchinson for presenting the trophies at short notice) TYFC were invited to the GT Leagues presentation night at the Dial House Club, not only as a promotion team but as the Divisions most sporting team as voted by the other teams in our division. This above all is an achievement the boys were extremely proud to win and one which reflects well on the Club and Totley. Thanks to all those involved especially our supporters and sponsors, it took £2,444 to start the club and play 25 games, without a community team we would not have made it! Watch the notice boards for the 1996/7 fixtures which start in September and come and watch your team, or should I say teams, we have been invited to enter an U10 side next year.

I NEED Y4 BOYS WHO WANT TO PLAY FOOTBALL!!! Phone Kevin on 235 1862 for details.

SCOUT NEWS

1st. TOTLEY SCOUT GROUP LOTTERY

The new Lottery will start in June and it is not too late to join. Phone Peter Casson 2363881 or contact any scout leader. Shares are still only £1-00 per month.

ST. JOHN'S' BEAVERS CUBS & SCOUTS

The next Antique Fair will be on Saturday 15th. June at St. John's Church Hall starting at 10-00am. to 4-30pm. with refreshments available all day. Everybody welcome.

The Annual Treasure Hunt will follow on Sunday June 16th. starting at 9-30 am./10-00 am. from the Shepley Spitfire car park.

The walking treasure hunt is for all the family, entry fee only 50 pence per form. Everybody welcome, bring a picnic, have fun, have a great day.

SCOUTS BOOST CANCER RESEARCH

Bradway Scouts are giving a boost to Cancer Research by providing the use of their headquarters for a special Table Top Sale. The Scout group has invited the Sheffield Ladies Committee of the Yorkshire Cancer Research Campaign to hold the Table Top Sale in the Bradway Scout Centre on

SATURDAY JUNE 29th
from 10.30 a.m. to 12.30 p.m.

The committee raises thousands of pounds each year to help fund cancer research programmes at Universities in Yorkshire. Anyone interested in hiring a table at the event to sell their surplus goods can contact Beverley Clubley at Sheffield 2368484.

GARDENING TIPS FOR JUNE

I cannot remember a worse May for gardeners - prolonged cold, not much rain, constant frost has led to us being way behind generally. My prize leeks are not much bigger than when I put them in, in April, and the bedding plants will be way behind last year. I hope the last bit of May and this month will be better. Enough moaning - let's look forward to Summer.

FLOWERS Feed flowering plants, especially sweet peas. Containers need a weekly dose unless you have used 'Osmocoat' or similar slow release fertilizer. Keep newly-set-out plants well watered (not an easy job without hose pipes). Thin out seedlings of annuals such as clarkia, cornflower or godetia sown directly in borders and beds. Stake taller plants as necessary. Dead-head peonies after flowering and cut back oriental poppies.

Watch out for aphids and caterpillars and deal with them as soon as they are seen; spray perennials against mildew at first signs. Finish planting summer bedding and put out small perennials or biennials into nursery bed from seed sown earlier.

Take cuttings of pinks, lift divide and replant polyanthus, primroses and flag iris. Old clumps of mossy saxifrage can be divided - this is a good thing especially if they are tending to get brown in the centre. As alpine plants finish flowering cut them back - this will keep the plants neat and compact and encourage them to make good growth for next year. Sow winter flowering pansies into boxes placed in cold frame - when they are large enough to handle they can be pricked out into the garden or potted on ready for planting out later. Watch out for sucker growth on roses; cut them off as close to the root as possible.

It's always as well to have a few surplus alpines for filling bare spaces in the rock garden and many alpine cuttings can be taken now - root them in a sandy compost.

VEGETABLES Plant marrows now - they should be just right for the Show on the 7th September. They need a good rich compost mound and a bit of protection from slugs and snails. Thin out carrots and beetroot sown earlier. Plant out celery plants and keep them well watered. To keep onions growing sturdily water when soil is dry and give them a weekly feed. Plant out leeks - the best way is to make a hole with a dibber about 6" deep with one leek placed in each hole, which is then well watered - let the water carry in a

little soil, enough to cover the roots. No more filling is necessary.

Plant savoy and January King cabbages. Keep planting successional plantings of salad crops and peas. To help rhubarb build up a good crown for next year remove flower stalks and keep the plants well watered and fed - like many other plants they will appreciate a top dressing of compost. Cover curd on cauliflowers with leaves turned over to protect them from the sun.

TREES, SHRUBS AND FRUIT The small white maggots that are often found in raspberries (they don't taste very nice!) are a nuisance. They can be controlled by dusting with derris now. Suckers that sprout up from fruit trees, especially plums and damsons, need to be dug out. Mildew is often troublesome on tips of gooseberry shoots - these should be nipped out and burned. Keep tying in shoots of blackberries and loganberries.

Keep newly-planted trees and shrubs weed-free and well-watered. Pick the poisonous seeds of laburnum especially if there are children around. If azaleas, rhododendrons, camellias or hydrangeas are yellowing apply Iron Sequestrene. Spray roses with fungicide especially if you had black-spot last year. To increase your plants semi-ripe cuttings can be taken from a wide range of shrubs and trees - they make nice gifts for gardening friends, also charity stalls.

GREENHOUSE AND INDOOR PLANTS.

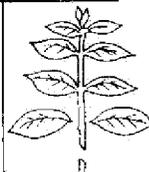

Complete the final potting of chrysanthemums. Take cuttings of regal pelargoniums. Cineraria seedlings should be pricked out into pots or seed trays. Grape-thinning needs doing regularly to keep nicely-shaped bunches and quality fruit. Begonias need careful attention to staking and support for larger flowers. Achimenes also need support - twiggy sticks inserted round the edge of the pot is a good idea.

Some tomatoes which were planted earlier should be ripening now. If some are showing signs of greenback where hard skin forms round the top of the fruit water with a solution of 1

ounce of sulphate of potash in 1 gallon of water (or the metric equivalent). Watch out for aphids, thrips, red spider mites and white fly and deal with them as soon as they are seen (it's one big battle isn't it?). Keep everything which is growing well-watered and make sure your ventilation is adequate.

SOFTWOOD CUTTINGS

SO MANY SHRUBS, HARDY PERENNIAL AND GREENHOUSE PLANTS CAN BE PROPAGATED BY TAKING SOFTWOOD CUTTINGS OR SLIPS.

REMOVE SLIPS WHICH ARE 2-5 INS. LONG AND WHICH HAVE A SMALL NUMBER OF LEAVES....

...HEEL CUTTINGS ARE IDEAL, OTHERWISE USE A SHARP KNIFE TO SEVER JUST BENEATH A LEAF NODE. REMOVE THE LOWER LEAVES.

DIP THE END INTO HORMONE ROOTING POWDER. PLANT LOWER THIRD IN

POT OF MOIST PEAT AND SAND. SEVERAL CUTTINGS WILL FIT INTO A 5 IN. POT.

WATER WELL, DRAIN AND WRAP IN A POLYTHENE BAG TO RETAIN MOISTURE. LEAVE

WHERE THEY WILL GET A STEADY TEMP. OF AROUND 16-18°C (60-65°F).

ROOTING TAKES SEVERAL WEEKS. ONCE ESTABLISHED HARDEN OFF AND POT ON OR PLANT OUT.

Mr. Fothergill's Seeds
NEWMARKET SUFFOLK

LAWNS Cut and weed regularly - have your cutters set high if the weather is dry to conserve moisture at the roots. Give a feed once a month to keep it nice and green. Rake up any leaves, moss or debris to keep it nice and tidy, and cut round the edges to make it look really smart.

Enjoy your gardening! Cheerio for now,

TOM, BUSY BEE.

ABBEYDALE PARK BADMINTON CLUB

Do you want to take up a new sport this summer?

Do you have a couple of hours to spare on a Friday night?

If the answer is yes to both the above questions, why not come along and join us for a game or two of badminton.

The Club welcomes you, whether you have played badminton before or not, to our beginners' night every Friday at 7.30 p.m. for just £2.50 a session. We will provide the rackets, the shuttles and lots of friendly people to help you learn how to play.

Just turn up at the Badminton Hall situated at the top of the Abbeydale Sports' Club complex on Abbeydale Road South any Friday night.

If you require any more information, please contact Gavin Johns, Club Chairman on 0114 236 8057.

PENTACOST '96

GREEN OAK PARK EVENT

SATURDAY 15 JUNE

"PENETECOST '96 - MEET JESUS"

Details of the celebration to be held marking last year's events are as follows:

2.30 pm Assemble at Totley Junior School to process to the park with banners, flags and singing.

3.00 pm 4.00 pm A concert to be given by the City of Sheffield Youth Band. (Separate activities for children will be held under the auspices of the J-Team).

4.00 pm - 4.30 pm Picnic Tea - please bring sufficient food and drink to share around and chairs or ground-sheets.

4.30 pm - 5.30 pm Music, drama, speakers led by an eminent team, including some from last year.

Please come along and support this event and bring along all the family. (Arrangements if wet: meet at Totley Rise Methodist Church at 3.00 pm).

Richard Lamb
Chairman, Churches Together in S17.

HARRY KELHAM

Molly and Family wish to thank friends and neighbours for their kind messages of sympathy and for their donations to St. Luke's, the staff of the Royal Hallamshire Hospital and of St. Luke's Hospice for caring for Harry, the Rev. David Benson and members of All Saints' church for their ministry and John Heath and sons for their courtesy and efficiency.

TRANSPORT 17

This month sees the "Cakes & Cuttings" event at the Catholic Church, Baslow Road on Saturday, 8th June 10.00 a.m. - 12 noon.

Proceeds are for us and we are very grateful. There are always a good variety of cakes and plants as well as stalls.

We have our own "Open Morning" at our office at 172, Baslow Road on Saturday, 22nd June, also 10 a.m. - noon. Refreshments, Bric-a-Brac, raffle, books. Come and meet us. Let's hope it is fine for both events. We fund raise all the time and are always in need of items to sell or raffle.

NO JUMBLE PLEASE.

Ring 236 2962 if you need items collected.

Last month I told you that more than 30 of us were going to Eastbourne for a week. This was organised by Irene Wells and her husband and mine came with us.

Sadly, one of our gentlemen, Bert Wilson died while we were there. People say that elderly people are like children. They can sometimes be obstinate and selfish. However, our people showed their kindness and support to Phyllis and us, gained from their own experiences. This combined with her own dignity impressed and gladdened us in a sad situation.

God bless Phyllis and her family. I know that Bert is singing his head off in heaven!

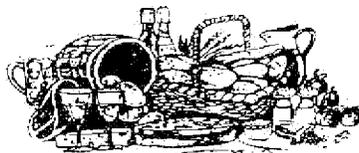

Best Wishes to you all,
Margaret Barlow.

DO YOU LIKE WORKING WITH YOUNG PEOPLE ?

There are 4 Guide Companies, 3 Brownie Packs and 1 Rainbow Unit in the Totley area (the Abbey Guide District).

We need more helpers, either former Guides or adults who enjoy working with young people. No experience is necessary as training will be given.

If you are interested please contact:- Maureen Allum,
District Commissioner - 2351262.

One of several cast iron mileposts in the Totley area, erected earlier last century when the turnpike was established. This one stands on the opposite side of Baslow Road from the War Memorial. It is the half way point between Sheffield and Baslow and prompted the Cross Scythes to be nicknamed "Half Way House" earlier this century.

Brian Edwards

BUS ROUTES THROUGH TOTLEY

The following two bus routes travel through Totley giving a useful service for visiting some of Derbyshire's finest areas. The routes are particularly handy for walking in the peak district. For any more detail of these two routes or other services from Sheffield to the moors and hills, Totley Library have further leaflets for your information.
